1974

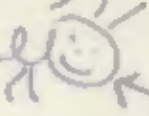

Darla,  
You are a real  
crazy person, because  
me stupidly more  
they would do it.  
Love  
Karen  
W.

Darla,

It's really been fun being in Chorus together, hasn't it? I wrote in Bobbie's Annual that we will take her place next quarter. We'll sing in our "natural voices" — we'll be the best singers in there! HA! HA! Really — I've had so much fun this year, being in classes with you (4 geometry with Renee, talking about —!) Well — you just wait — by next year I'll be the best Tennis player — not you!!  
lots of love in Jesus,

Kathy  (Doodle bug)

Darla,

I am glad I have met another great tennis player. You better get to practicing so you can keep up with me. Good luck this summer and I hope to see you at the courts a lot.

Love, John Hicks

Darla,

Don't listen to that John Hicks he doesn't know what he's talking about. It's been great, good luck and keep out of trouble

Frankie Paul

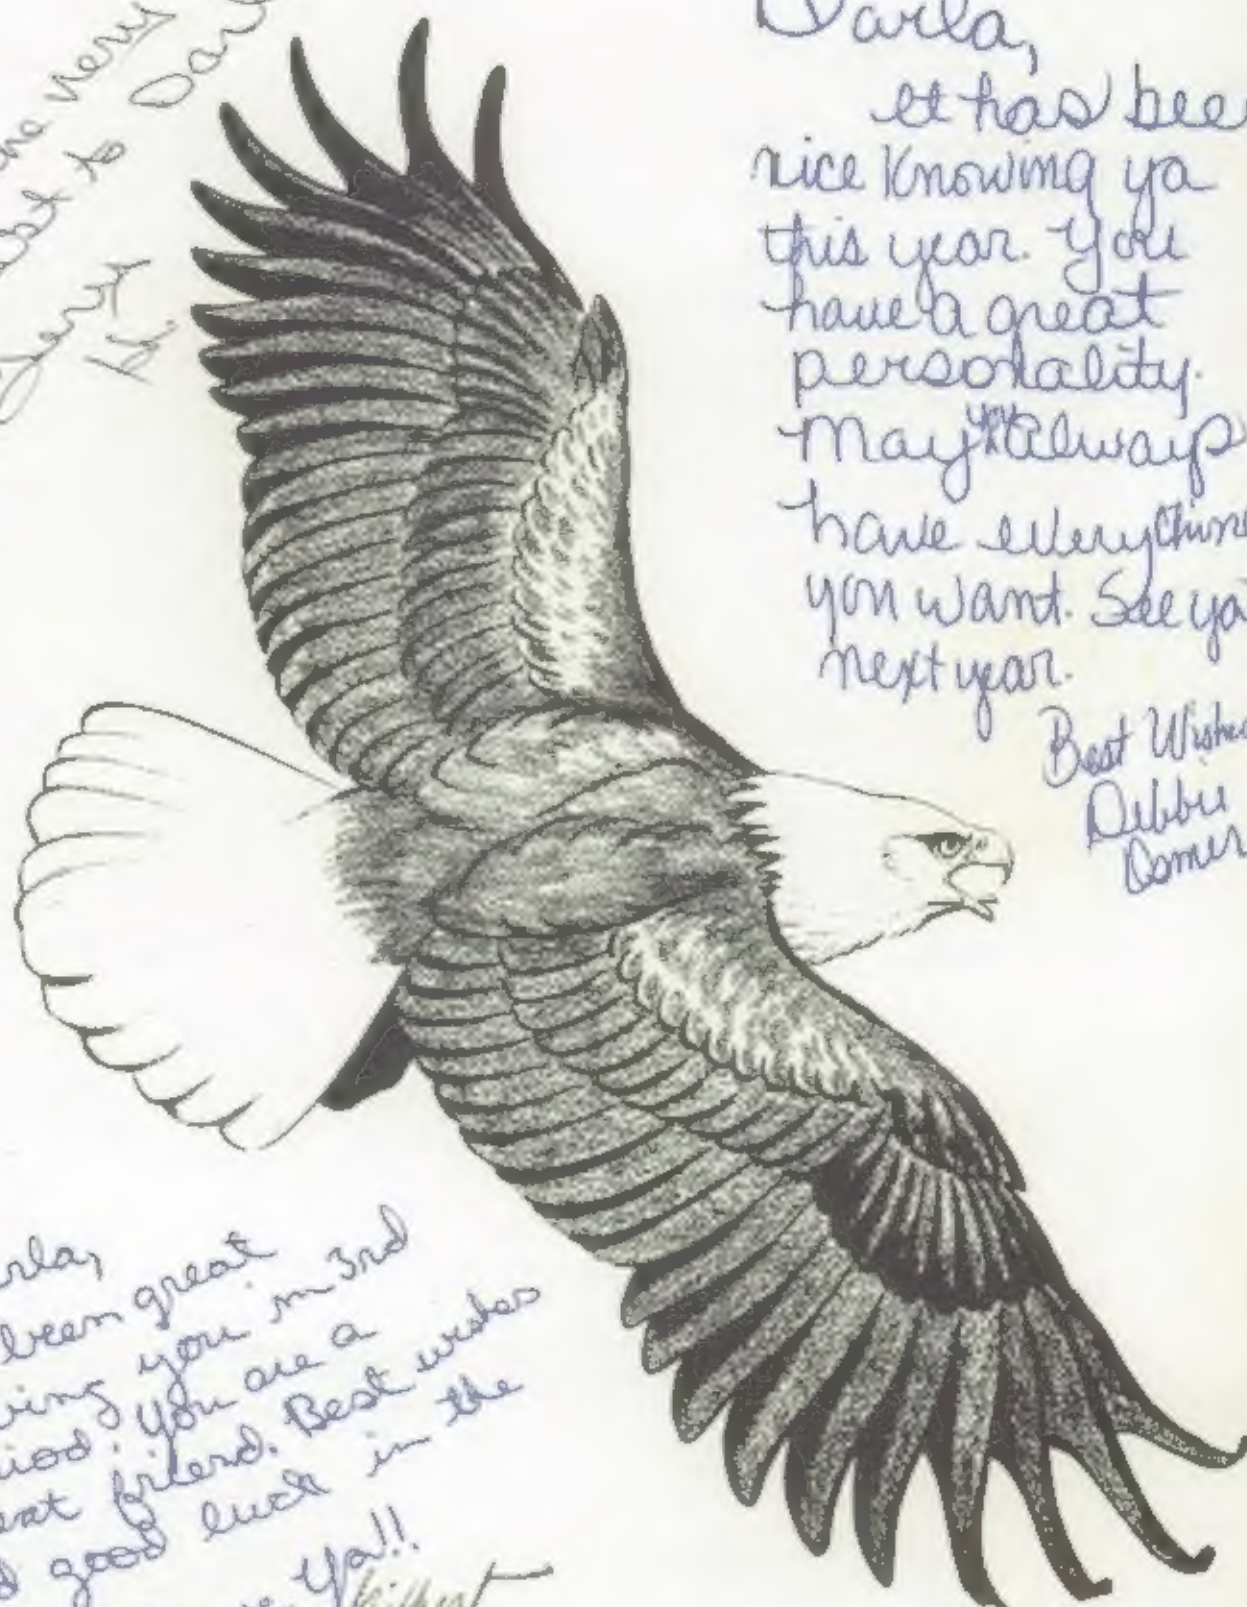

Darla,  
It's really been  
nice knowing  
you, hope you  
have a nice  
summer, see  
ya next year.

Dale

The very  
best to  
you  
Darl

Darla,  
It has been  
nice knowing ya  
this year. You  
have a great  
personality.  
May<sup>4</sup> always  
have everything  
you want. See ya  
next year.

Best Wishes,  
Debbie  
Comer

Darla,  
It's been great  
having you in 3rd  
period. You are a  
great friend. Best wishes  
and good luck in the  
future. Love ya!!  
Robyn  
Hilbert

Darla

I hope you have  
had fun in this  
class, I have  
(when I was there)  
and I hope you  
will have lots of  
fun this summer.  
Maybe we will play  
tennis sometime.

Mitch Ryden

## SOPHOMORES CLASS OF '76

A notch above Freshmen and not even close to Seniors. The most unnoticed of all classes, but one of the best. Wonderful years for the girls, and not so good for the boys, since girls held all offices for the year 1973-74. How interesting things can be once you take the time to do it, and what weird stuff you can come up with. Electives such as painting, sculpturing, jewelry, visual art, and others attract many students who have the talent or those who just want to learn.

# INDUSTRIAL ARTS

Believing that a balanced liberal-practical education is the best preparation for post-high school activities whether it be employment, technical training or college; and in a strong effort to minimize social conflict through enrichment courses, providing the student various courses for his genuine interest along with the required courses. Industrial Arts Department can help provide a solid foundation for career choice, creativity and leisure time activities.

Agriculture takes the students back to the farm. The class learns how to grow produce and raise livestock. During weekends they work at agricultural businesses to get experience they need.

## THE SPIRIT OF SPIRIT MRS. EMILY GILLESPIE

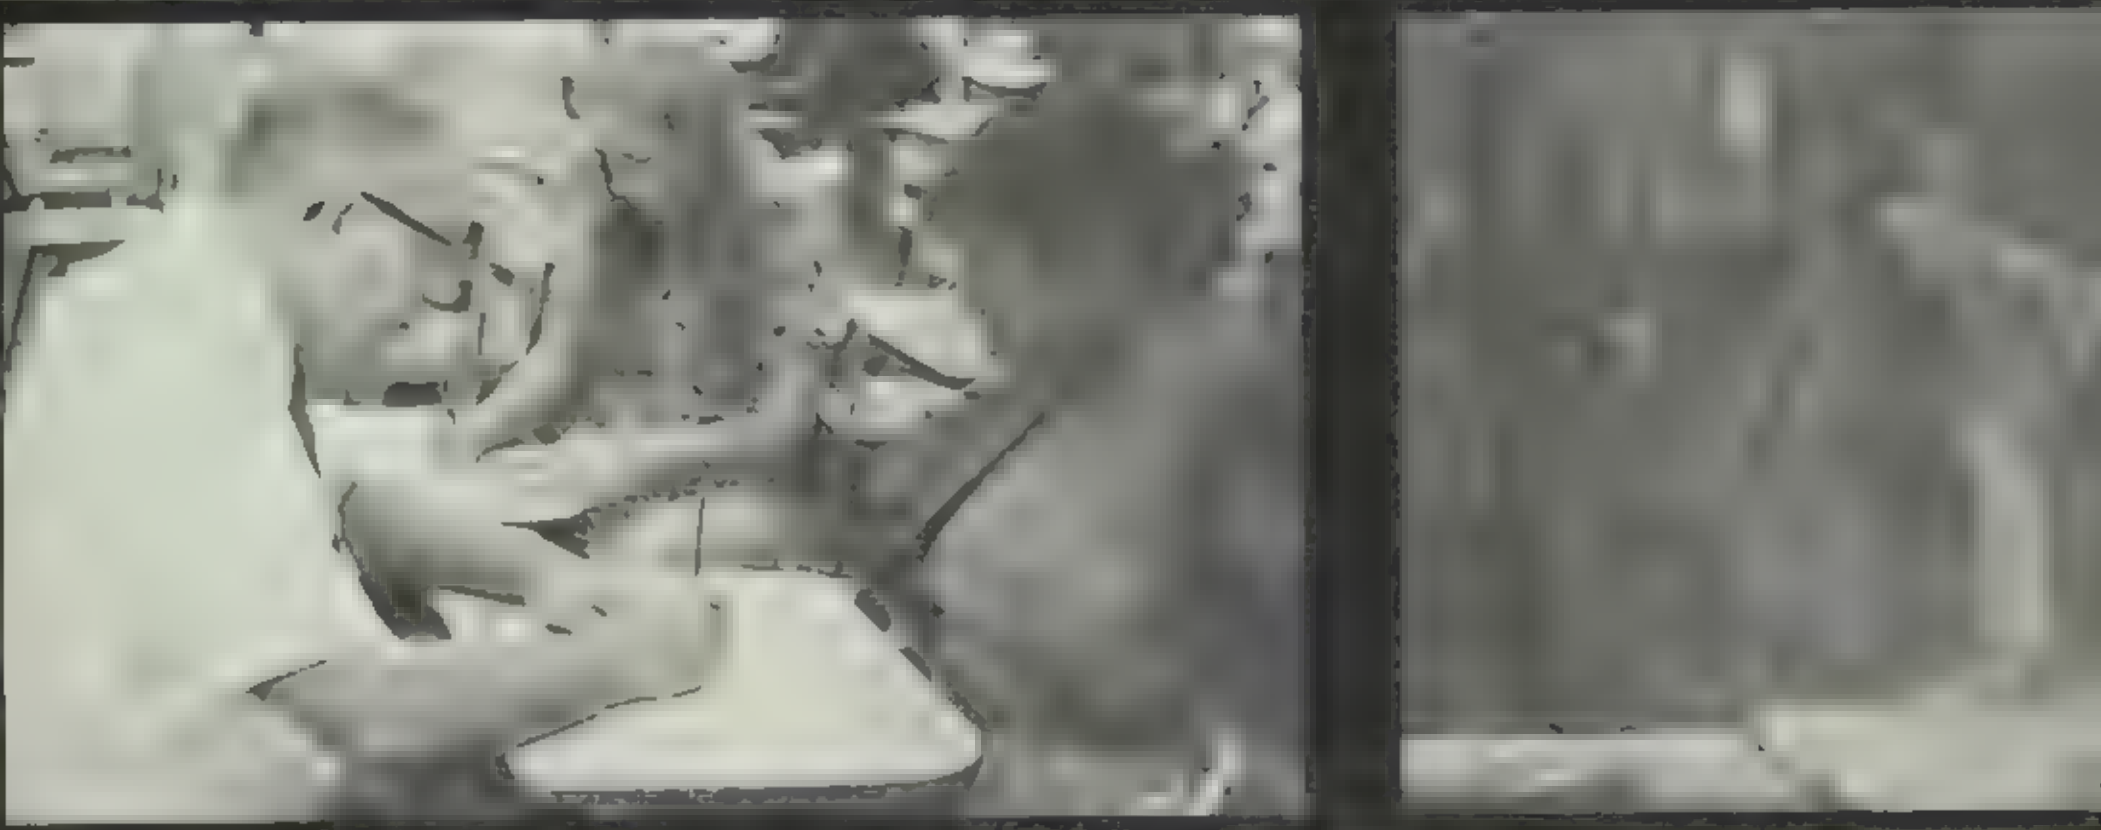

As you look back upon your years at Johnson you will probably remember a favorite teacher who stood out from all the rest. The members of the Spirit Staff will always remember their special teacher who was always there to help. Serving as an outstanding teacher in the Science Department, she takes an interest in each of her students. She is also involved in the school and its activities. She not only is the yearbook sponsor, but also has served as the Number 1 layout editor, copy editor, business manager and typist. Needless to say the '74 Spirit would not have been possible without her.

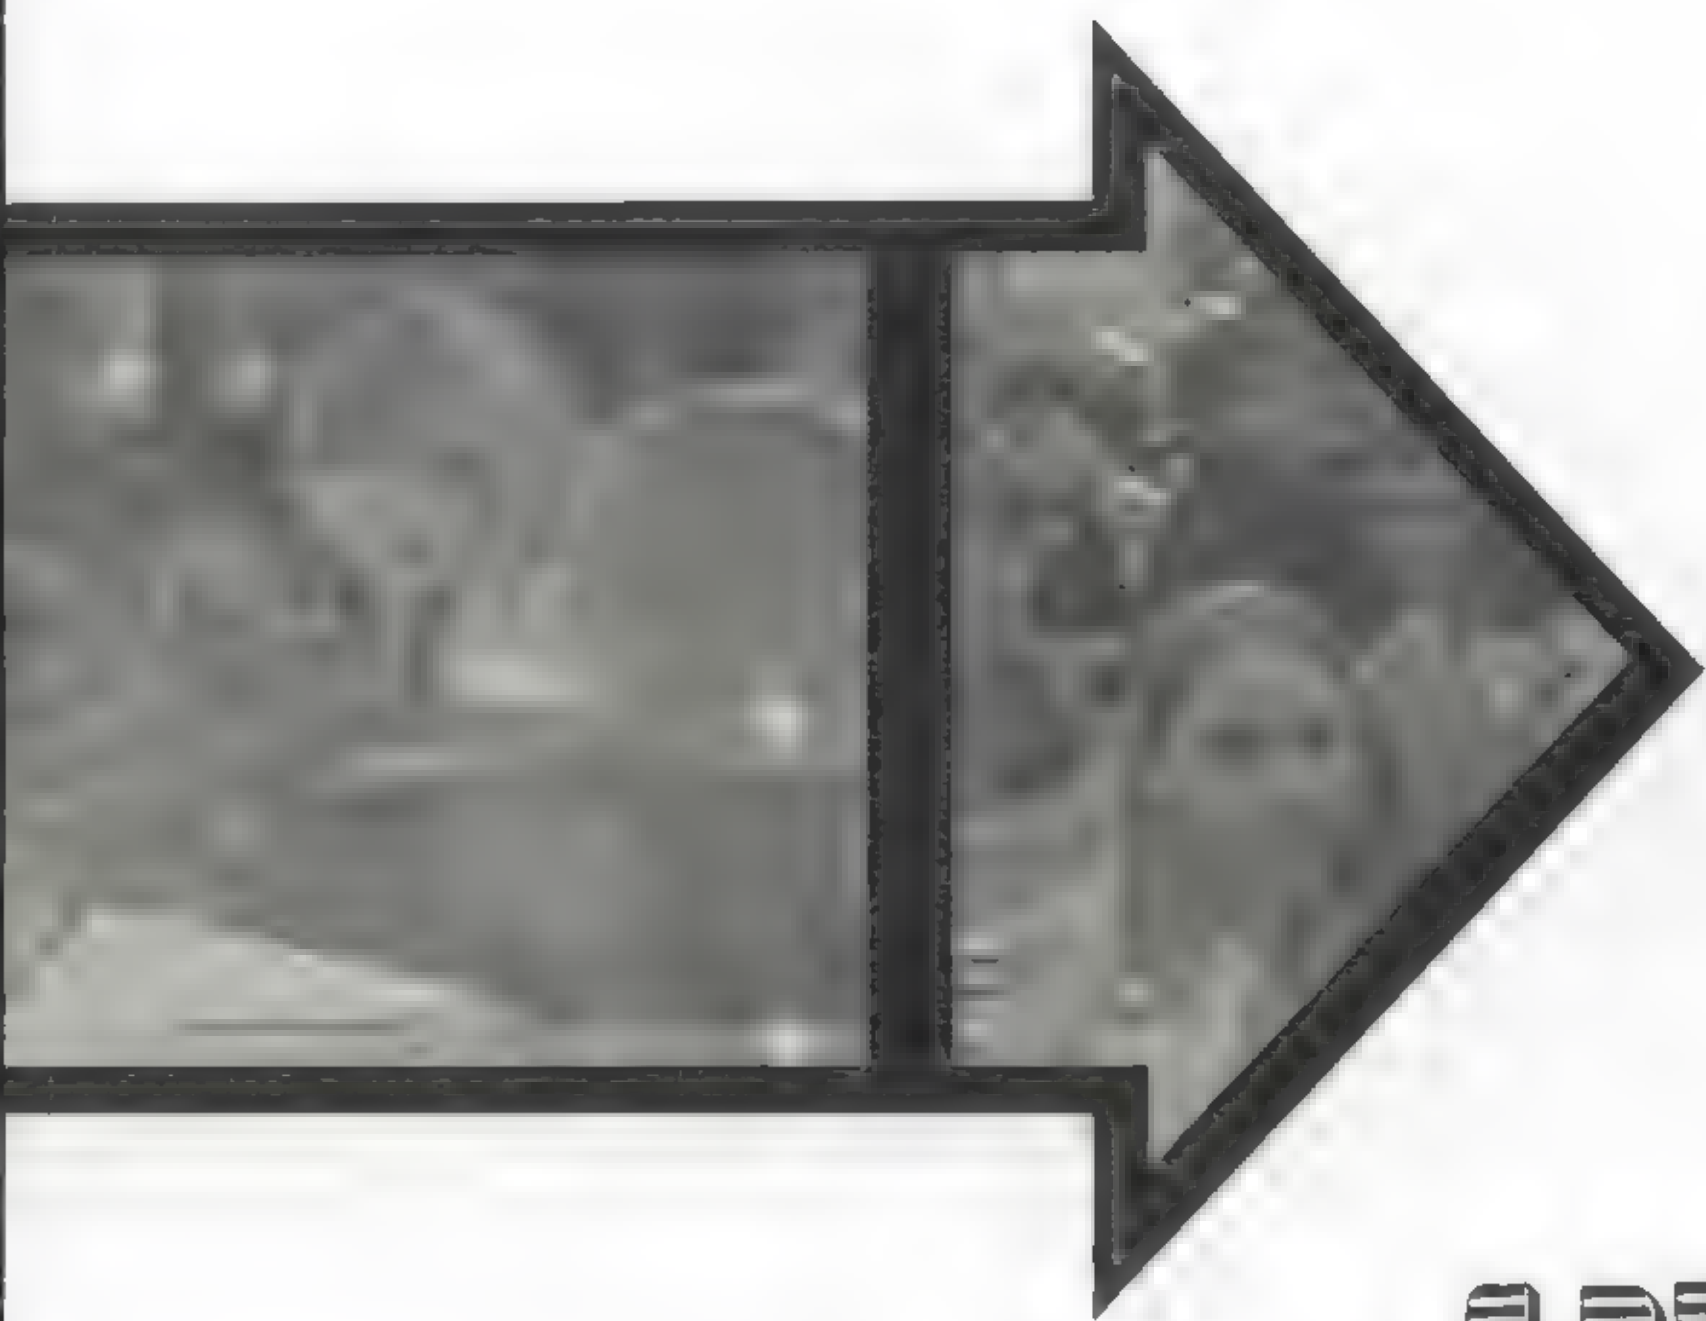

As a token of our thanks and appreciation, the Spirit Staff would like to dedicate the 1974 Spirit to Mrs. Emily Gillespie. We love you

### Johnson Player Pledge

There is a secret in me.  
The theater and I  
Give the secret its form,  
But leave it a void.  
The theater tells my secret,  
The audience knows my secret,  
The telling and knowing  
Are true and beautiful,  
The truth and beauty make  
Art of the secret.  
The secret  
Makes an artist of me.

## DEBATE

The Johnson High Debate Club is now in its second year of existence and continues to grow.

The purpose is to teach the student the process of investigating an issue from all possible viewpoints and this enables them to gain confidence through public speaking. The experience of debating through formal argumentation develops logical thinking, stimulates minds and enlightens the students on national issues.

Like all other activities, debating is not all work. During the school year the Debate Club sponsors hikes, parties, picnics and excursions for its members.

It works with the Foreign Student's Club at the University of Georgia to further the understanding of international cultures and viewpoints. The Debate Club also gives presents to the children's wing at the hospital each Christmas.

The Johnson High School Symphonic Band, composed of 86 student musicians, is an integral component of the total curriculum of Johnson, and comprises a major portion of the music department. Each fall the marching band, supplemented by an award-winning flag-team, a majorette corps, and Guidon flags, performs before thousands of football fans, during the halftime of Johnson High football games.

The Symphonic Band is a consistant winner of superior and excellent ratings at Georgia Music Festivals, and individual members have earned many blue ribbons for their performances at the Solo-Ensemble Festivals in the spring.

The Johnson High School Band is recognized as being one of the outstanding high school music organizations in the state.

In addition to school related activities, the band is in constant demand for parades, and other community related activities.

The Johnson High Stage Band was created as a result of student interest in studying and performing music in the "jazz and rock" idiom. Membership in the group is by audition only, and the students must pass a high degree musical qualification before becoming a member.

The Stage Band is a part of the curriculum of Johnson High and carries two hours elective credit. The Stage Band is rapidly becoming a popular musical group around Gainesville, having performed for Kiwanis Club, the Rotary Club, the Gainesville Music Club, and many others, in addition to its regular concert performances.

The band has won superior ratings at the Georgia Music Festival.

## TEAMWORK — LADY KNIGHTS

Hard work, dedication, individual sacrifices are all parts of becoming a Lady Knight. The term "Lady Knights" describes each one well. Being ladies on and off the floor depicts the attitudes they employ. Winning means all the other qualities are the benefits that come with winning.

These are words that can be heard on the

game. For these are the words that  
characterize the Knights.

In basketball, as in all competitive sports,  
your immediate goal is to win. As you  
dedicate yourself to this task and you work  
together toward that goal then other goals  
are reached: sportsmanship, pride, togeth-  
erness, friendship, and a competitive edge that  
will last as you confront the future. In the  
end a sense of success will be obtained

Dear Mrs. Gillespie:

First, may I congratulate you and the entire student body of Johnson High School. If the forty-one contestants sent to me are any indication, your students are well prepared.

My congratulations to the winners and all the contestants.

May I also wish you and all the students of Johnson High School the very best of luck.

Good to yourselves and be safe.

Sincerely,

## KNIGHTS HUSTLE TOWARD VICTORIES

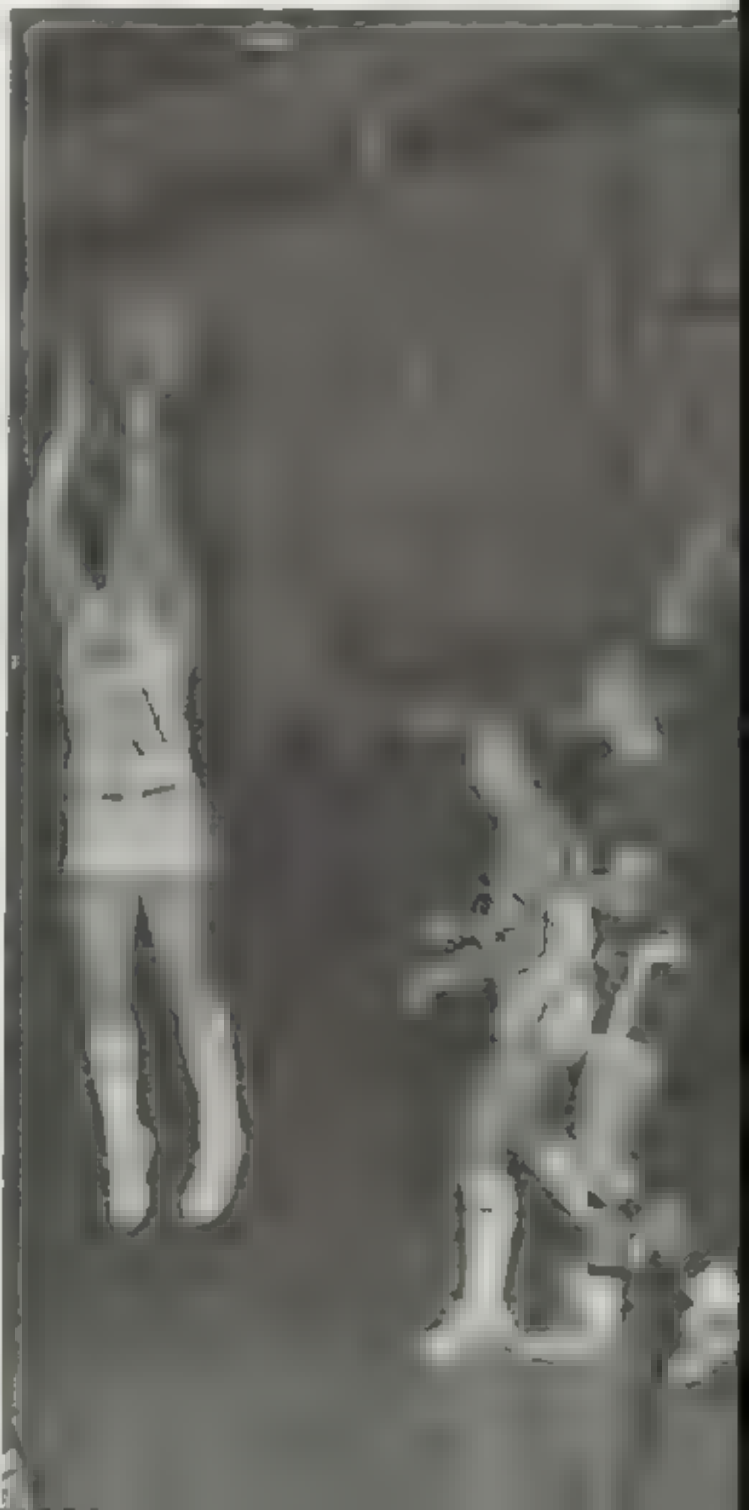

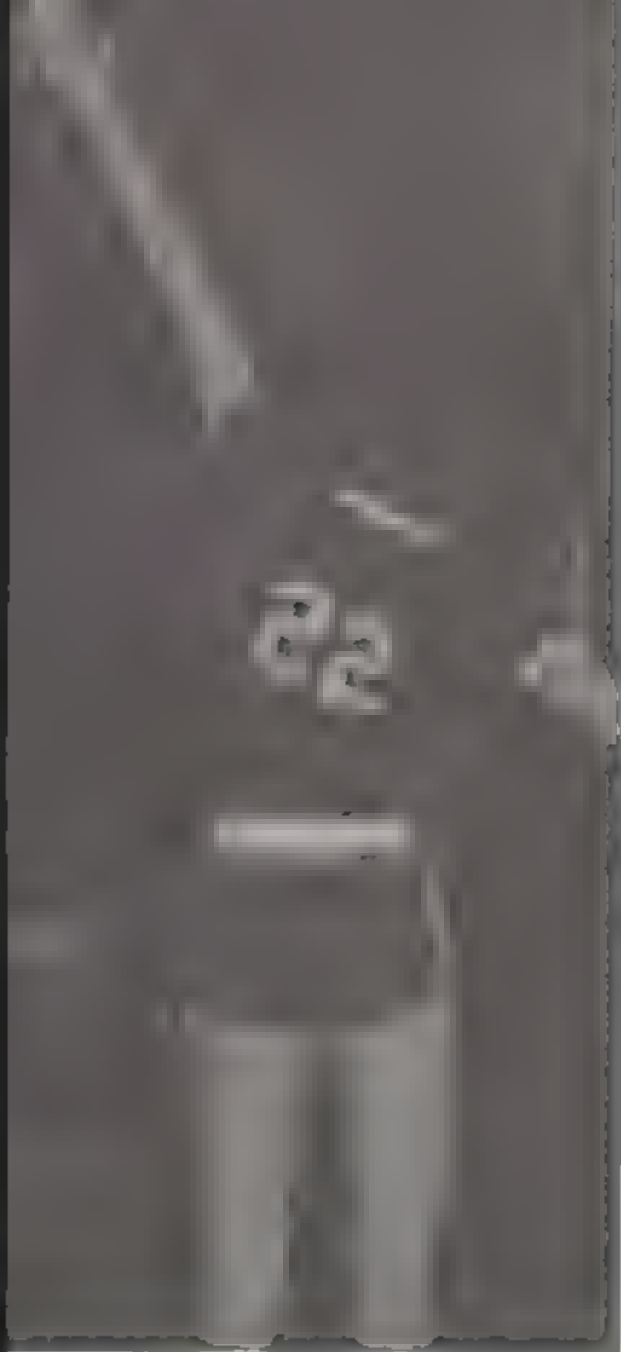

So many games won and lost only by 2 points. . . . this tells the story of the Varsity boys this year. They're really a great team with even greater potential. They will really give the fans a reason to cheer and pep up next year.

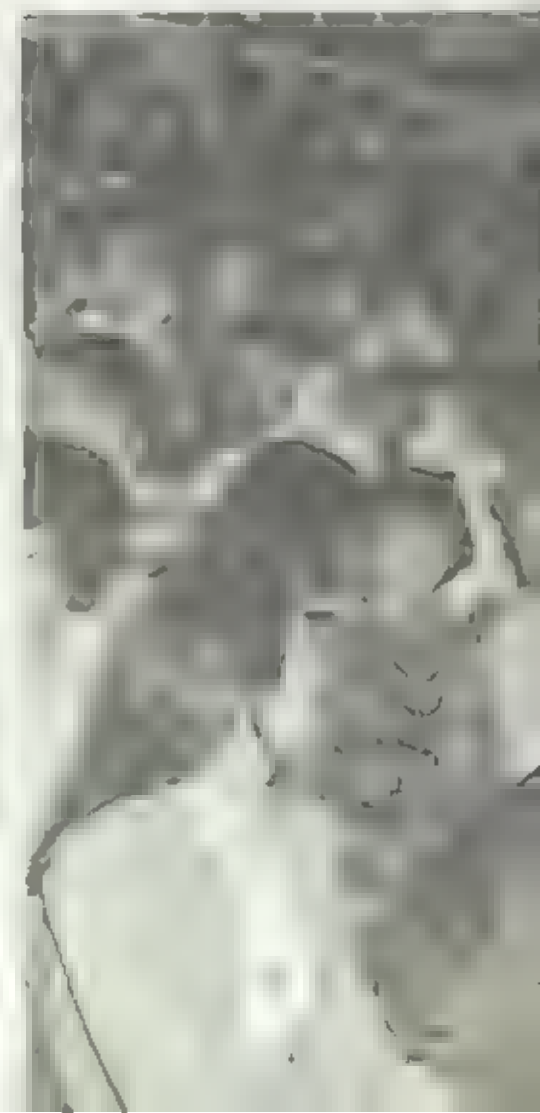

We've really strived and put forth effort this year. We've succeeded and finally made it to a very eventful season. So here we go Johnson, here we go.

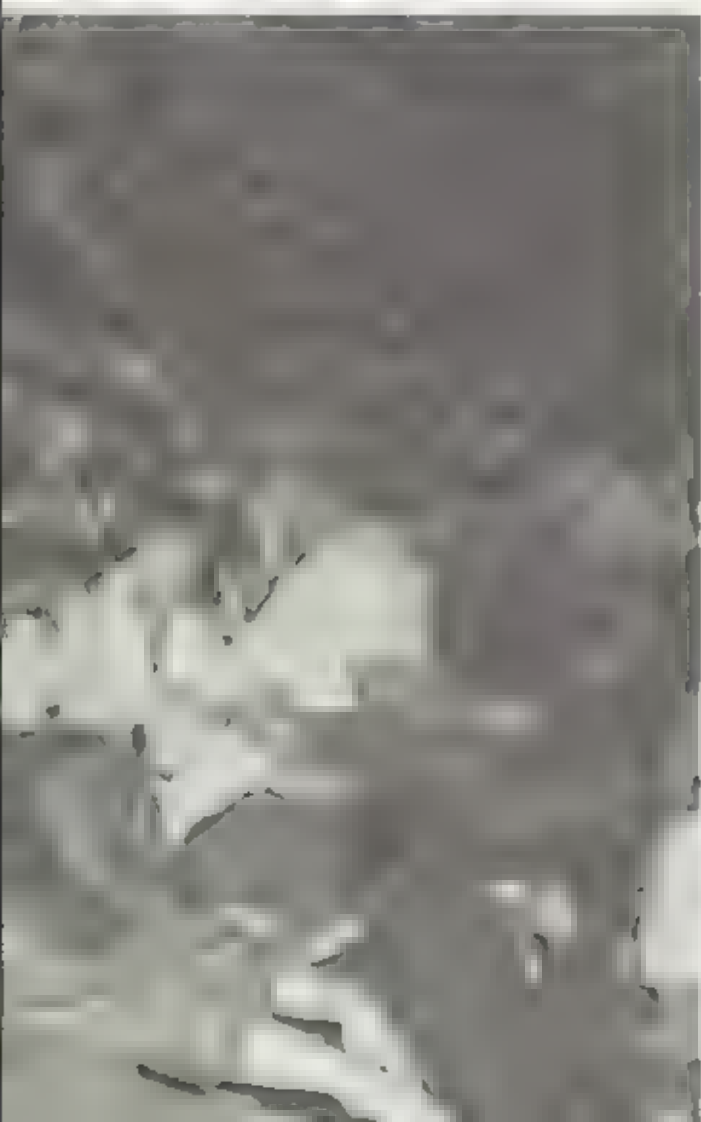

Mighty Knights came on through  
with spirit and determination.  
High hopes and hard work made  
it a rewarding season. It was  
worth it all.

## LADY KNIGHTS RADIATE SUCCESS

It takes hard work, patience, team effort, and a good coach to be on top and that's where we are. The Lady Knights, champions all the way.

I believe,  
 that the world  
 has become, ever  
 more and more a  
 valley of tears.  
 prayer is the  
 only way to  
 find the best  
 of us.

Examine

As usual, they had great defense, explosive offense, and the spirit that sparked the whole team. Right on, Knights! Right on!

It's hard to live up to an image like they built up last year, but the Varsity girls came through with flying colors and dominated their ballgames once again. Through team work, and sportsmanship they showed their true colors as Knights of Johnson High.

This year the Student Council sponsored a Spirit Contest. At different home games, each class showed their SPIRIT to compete for the award which was given to the most spirited class. This year the SENIORS received the award. Also there were posters, posters, posters. Each class participated and in the freshman class, Michael Jackson proved his spirit the most. David Stargel came out of the sophomore class to prove his school spirit and George Stringer lead the juniors. Of course the seniors were represented as Bonita Orr added her artistry for the best poster. This proved spirit which this school needed so much this year. Hopefully it will get better, and better. UP WITH SPIRIT!

## NEW COACHES SPARK TEAM

The 1973 football season started off with new coaches as the backbone. Terry Wiley, our new head coach lead the small but quick Johnson Knights to a successful season. Assistants to the coaching staff were Robby Rubertson, offensive backs coach, Ted Parker, defensive backs coach, Mickey Byrd and Robert Scott, linemen coaches. Leading the freshman team was Phil Hall and Lowell Shepley.

Coach Wiley comments about our team as . . . "giving 100% effort; blocking and tackling is the heart and soul of football; With the student body backing us it was easier to win. To be a winner we had skill and 90% morale."

The Knights were up and ready for Cross Keys as they won 27-12. One of the highlights of the game was referees searching for a green-tinted contact!

The new football  
team is playing  
to the  
winners in every  
game.

Team.

Johnson's success was due to hardwork, teamwork, and exuberant sideline participation.

Darla,

(73-74)

Half-time highlights came  
thick and fast this year  
supplied by our Majorettes  
and Flagettes in the  
Wrigley's routine and solos  
by Glen Cleveland and Mike  
Roper.

A special commendation goes to the Color Guards. This is the first year we have had a Color Guard and they came through in a big way!

Darla,  
 It's been fun  
 knowing you this  
 year and last year.  
 I just wish we  
 had some classes  
 together. I hope  
 you have a super  
 fantastic summer  
 and next year that  
 we'll have some  
 classes together

Friends forever,  
 Marie

Practicing is a hassle but it's a necessity to produce an adequate half-time show. The Flagettes, Majorettes, and Band members practice hard all week amidst cries of "hit that yardline," or "8 to 5 you dummies!" "Can't you march in a straight line?" And somehow, with all the confusion they manage to come up with an enjoyable, interesting, half-time.

# SPRINT OF SUPERHEROES

A black and white photograph showing a vast flock of birds, likely terns, flying in a loose formation over a body of water. The birds are concentrated in the upper left and center of the frame, with their wings creating a textured pattern against the sky. The water below is calm, reflecting the light. The overall composition is minimalist and emphasizes the movement of the birds.
